I'm gonna kiss you
Like you ain't never been kissed before
I'm gonna squeeze you and tease you
And leave you a beggin' for more.

I'm gonna love you and leave you
Dry in the southern heat
For the name of the game is love
And the love is me.

You gonna know for sure
That you met your Waterloo
You gonna think that a full grown tiger's
Got a hold on you.

Well, when I get through
You gonna wish you'd let me be
For the name of the game is love
And the love is me.

--- Instrumental ---

You been a walkin' around with
Your head up in the air
You been a lookin' at me
Like less you couldn't care.

But I'm a gonna change all of that
Just wait and see
For the name of the game is love
And the love is me.

You gonna know for sure
That you met your Waterloo
You gonna think that a full grown tiger's
Got a hold on you.

Well, when I get through
You gonna wish you'd let me be
For the name of the game is love
And the love is me.

Yeah, the name of the game is love
And the love is me...
