I may say that I don't care and hold up head up in the
air
Even tell my friends I'm glad that you don't call
But when the day is through and my heartaches start
anew
Well, that's when I miss you most of all.

And my arms keep reaching for you
My eyes keep searching for you
My lips keep calling for you
And my shoes keep walking back to you.

--- Instrumental ---

No matter how much I pretend I wish I had you back
again
For nothing else means half as much as you
My world just seemed to die the day you said goodbye
And I can't forget no matter what I do.

And my arms keep reaching for you
My eyes keep searching for you
My lips keep calling for you
And my shoes keep walking back to you.

And my shoes keep walking back to you...
