Give me that old time religion  
Give me that old time religion  
Give me that old time religion  
It's good enough for me.

It makes me love everybody  
Makes me love everybody  
Makes me love everybody  
It's good enough for me.

Well, it was good enough for mother  
It was good enough for papa  
It was good enough for sister  
And it's good enough for me.

Give me that old time religion  
Give me that old time religion  
Give me that old time religion  
It's good enough for me.

--- Instrumental ---

It will do me when I'm dying  
It will do me when I'm dying  
It will do me when I'm dying  
It's good enough for me.

It will take us all to heaven  
It will take us all to heaven  
It will take us all to heaven  
It's good enough for me.

Give me that old time religion  
Give me that old time religion  
Give me that old time religion  
It's good enough for me.

Give me that old time religion  
Give me that old time religion  
Give me that old time religion  
It's good enough for me.

Yes, it's good enough for me...
