I wait for you to call me
But you won't
I keep hoping you come by
But you don't.

You just keep me hurtin'
All the time
And if you make me much bluer
I'll go out of my mind.

I'll go out of my mind
Completely it's true
If you don't start to love me
The way that I love you.

You just keep me hurtin'
All the time
And if you make me much bluer
I'll go out of my mind.

--- Instrumental ---

You smile every time
You make me cry
You're happy 'cause my eyes
Are never dry.

You just use me
Anyway, anytime
And if you make me much bluer
I'll go out of my mind.

I'll go out of my mind
Completely it's true
If you don't start to love me
The way that I love you.

You just keep me hurtin'
All the time
And if you make me much bluer
I'll go out of my mind...
