Buck Owens and Red Simpson

Well, I've been sorta worried  
About Santa Claus this year  
'Cause we live way out west  
And it didn't snow out here  
Well, I'm a tellin' you not to worry  
'Cause I just got the word  
Everybody listen closely  
And I'll tell you what I heard

Chorus:

Santa's comin' in a stagecoach  
'Stead of his trusty sleigh  
He'll have horses instead of reindeer  
To carry him on his way  
'Cause the weatherman had some problems  
He couldn't get snow you see  
Santa's gonna come in a stagecoach  
When he visits you and me

--- Instrumental---

Well, Santa can't bring his reindeer  
He'll leave him far away  
But don't you worry about him  
He's gonna be here Christmas Day  
He's gotta big red stagecoat  
With jingle bells and all  
And there's gonna be merry Christmas  
A merry Christmas for all

Chorus:

Santa's gonna come in a stagecoach  
'Stead of his trusted sleigh  
He'll have horses instead of reindeer  
To carry him on his way  
'Cause the weatherman had some problems  
He couldn't get snow you see  
Santa's gonna come in a stagecoach  
When he visits you and me

Santa's gonna come in a stagecoach  
when he visits you and me...
