Well now since I turned old Satan down I know for sure
I'm heaven bound
There ain't nothing he can do to stop me
Since he showed me heaven's light I know for sure I'm
headed right
Satan's gotta get along without me
Well now Satan's gotta get along without me cause I've
been saved from sin for evermore
Satan's gotta get along without me cause I'm goin' to
heaven with my Lord
[guitar - steel]
Well now Satan might have had a chance though once
he had me in his grasp
But that was a long long time ago
Since I've broke the chain of sin I know for sure that he
can't win
I'm a goin' to heaven with my Lord
Well now Satan's gotta get along...
Yeah now I'm a goin' to heaven with my Lord
