Somewhere between me and you
I love you so much
Oh, I can't let you go
And sometimes I believe you love me
But somewhere between your heart and mine
There's a door without any key.

Somewhere between your heart and mine
There's a window that I can't see through
There's a wall so high it reaches the sky
Somewhere between me and you.

--- Instrumental ---

(Somewhere between your heart and mine)
(There's a love I can't understand)
(It's there for a while and fades like a smile)
(And I'm left in the middle again.)

Somewhere between your heart and mine
There's a window that I can't see through
There's a wall so high it reaches the sky
Somewhere between me and you.

Somewhere between me and you...
