Looky there, who's a comin'  
See the reindeer a runnin'  
Ol' Rudolph sleddin' away.  
Hear the rattle of the hoofs  
As he ride on the roof  
Oh, tomorrow is Christmas day.

See the funny little man  
With the sack in his hand  
Filled with toys all bright and gay.  
But don't be afraid  
Because it's only ol' Santa Claus  
And tomorrow is Christmas day.

Here he comes down the chimney  
With a great big grin  
A beard on the tip  
Of his chinny chin chin.  
You better be a sleepin'  
Or he won't come in.  
For tomorrow is Christmas day.

Hey, tomorrow is Christmas day.

--- Instrumental ---

Well, he fills all the stockings  
That's a hangin' on the tree.  
And he places all the presents  
Where they ought to be.  
He's got a book for you  
And a tie for me.  
Oh, tomorrow is Christmas day.

And with a twinkle in his eye  
You know wave goodbye  
He hurries right on his way  
He's gotta take a lotta toys  
To all the girls and boys.  
For tomorrow is Christmas day

Here he comes down the chimney

With a great big grin  
A beard on the tip  
Of his chinny chin chin.  
You better be a sleepin'  
Or he won't come in.  
For tomorrow is Christmas day.

Hey, tomorrow is Christmas day...
