Since you went away I've had the blues  
Everything is wrong since I lost you  
Only God knows what I'm going through  
Walk the floor and worry over you.

Haven't slept a wink since you've been gone  
Don't know how I'll stand this very long  
Only God knows what I'm going through  
Walk the floor and worry over you.

--- Instrumental ---

Maybe someday you'll return to me  
And things will be the way they used to be  
Only you can make my dreams come true  
Walk the floor and worry over you.

Haven't slept a wink since you've been gone  
Don't know how I'll stand this very long  
Only God knows what I'm going through  
Walk the floor and worry over you...
