We're gonna get together,
We're gonna get together
We're gonna get together today.
Well, I'm a gonna hug and kiss ya
(Well honey I can't resist ya)
We're gonna get together today.

Well, now I come from the country
(And I come from the city)
We're gonna get together today
Well, I like fried potatoes
(And I like slice tomatoes)
We're gonna get together today.

We're gonna get together,
We're gonna get together
We're gonna get together today.
Well, I'm a gonna hug and kiss ya
(Well honey I can't resist ya)
We're gonna get together today.

--- Instrumental ---

(Now I come from the city)
Well, I come from the country
We're gonna get together today
(Well, I like Johnny Carson)
Well, let's go see the Parson
We're gonna get together today.

We're gonna get together,
We're gonna get together
We're gonna get together today.
Well, I'm a gonna hug and kiss ya
(Well honey I can't resist ya)
We're gonna get together today.

Well, now honey
I'm gonna get ya
(Hmm Well, baby I'm gonna let ya)
We're gonna get together...
