"When Jesus Calls All His Children"

Someday someday somewhere you will see Jesus will
call for you and for me
And we'll all be together as our new life begins when
Jesus calls all his children in
When Jesus calls all his children in
When the trumpet sounds that's when we will walk in
Yes we'll walk the streets of Glory with Jesus hand in
hand
When Jesus calls all his children in
[steel]
Someday those pearly gates will swing wide for all of
God's children to walk inside
What a wonderful feeling that will be then when Jesus
calls all his children in
When Jesus calls all his children in...
