Oh, you ain't a gonna have ol' Buck to kick around no more
The last time was the last time and this time it's for sure
The next sound that you hear will be the slamming of the door
And you ain't gonna have ol' Buck to kick around no more.

Well, I jumped when you whistled and I danced when you sang
I must have looked as silly as a puppet on a string
And for my last performance I'm gonna vanish through the door
And you ain't gonna have ol' Buck to kick around no more.

Oh, you ain't a gonna have ol' Buck to kick around no more
The last time was the last time and this time it's for sure
The next sound that you hear will be the slamming of the door
And you ain't gonna have ol' Buck to kick around no more.

--- Instrumental ---

They say true love's undying, that it lives on and on
Well, if that's really true it's gonna live after I'm gone
Wild horses couldn't hold me here this time it's really it
So if you want that one last kick you better make it quick.

'Cause, you ain't a gonna have ol' Buck to kick around no more
The last time was the last time and this time it's for sure
The next sound that you hear will be the slamming of the door
And you ain't gonna have ol' Buck to kick around no

more.

No you ain't a gonna have ol' Buck to kick around no
