I don't need a ship to sail to the ocean  
I don't need fancy clothes to wear  
I just need your sweet, sweet lips to kiss me  
I just need your tender loving care

Winter needs the north wind and the snowflakes  
Springtime needs the flowers soft and rare  
I just need to feel your arms around me  
I just need your tender loving care

Day goes by so slow when you're not with me  
Nights are long and, oh, so hard to bare  
Everything is nothing, dear, without you  
And I'm nothing without your tender loving care  
I just need your tender loving care
