When I just can't find my way  
You are always there for me  
When I am out of my way  
You are always there for me

When I just can't find my way  
You are always there for me  
When I am out of my way  
You are always there for me

Like a bird in the sky  
You set me free  
You give me one heart  
Like a star in my night  
You'll always be a part of me

When I just can't find my way  
You are always there  
You are always there  
You are always there for me

In my darkness dreams  
I hear you call me  
You give me the reason to live  
In my dirty heart  
I hear you call me  
And you reach out to carry me away

No one can save my soul  
Only you

Like a bird in the sky  
You set me free  
You give me one heart  
Like a star in my night  
You'll always be a part of me

Boku ha jiyuu ni ima narerunda

Boku ha jiyuu ni ima narerunda

Tori ga sora wo tobimawareru you ni  
Boku ha jiyuu ni ima narerunda

Like a bird in the sky  
You set me free  
You give me one heart  
Like a star in my night  
You'll always be a part of me

Like a star in my night  
You'll always be a part of me
