Anata no mune ni tada mimi wo oshiate  
Odayaka na yoru wo kanjiru

Atari mae no you na hoshi no kirameki  
Subete kiseki dato omoeru

Uchuu no katasumi umareta  
Tsuyoi kagayaki wo dakishimeteru

Negai ga kanau no nara hitotsu inori tsudukeru  
Kono itoshisa ga kienu you ni to...  
Tobira wo tozashite ita kokoro hiraita koe ga  
Ima mo watashi no namae wo yobu

Hitori-tachi tomatta kako no kizuguchi  
Fukai ai wo shiru iriguchi

Daremo shinji nai no... sonna hibiki wa  
Anata ni deaete kieteku

Fukai umi no soko hitotsubu  
Ai ga nemuru nara sagashi ni yuku

Anata ga mayou toki mo namida kakusu toki ni mo  
Sono kurayami wo aruite yukou...  
Hanarete nemuru yoru mo ai wo tsuyoku kaeteru  
Anata no tame ni watashi wa iru

Negai ga kanau no nara hitotsu inori tsudukeru  
Kono itoshisa ga kienu you ni to...  
Hanarete nemuru yoru mo ai wo tsuyoku kaeteru  
Ima, watashi ni qa anata ga iru
