Fuwari kona yuki kokoro ni furete tokeru made
Kono mama toki wo tomete ite

Fuyu no seiza kara koi ga kobore ochite
Minareta machi giniro ni kagayaki dasu yo

Itoshi saga tada yuki no you ni tsumoreba
"Soba ni ite..." tomara nai kimochi

Fuwari kona yuki kokoro ni furete tokeru made
Zutto anata no mune de atatame raretetai
Fuku yo koga rashi kogoeru yoru no katasumi de
Shizuka ni inoru yo kono omoi same nai you ni

Iki wo fuki kaketa yubi de mahou kakeru
Fuyu no mama de eien no futari de itai

Chiisa kute mada obieteiru ai demo
Sukoshi zutsu kasaneteku tsuyosa

Fuwari kona yuki kokoro ni furete toke te yuku
Hito no kehai mo kieta shiroi sekai no naka
Futari kono saki kono mama yume wo miru you ni
Subete wo wasurete nukumori ni tsutsumaretai
