(It's been a long time baby)
(But I'll keep on waiting whole the night)
Only you, Everything
(Still I can't way to let you go)
(Cause you'll always be my baby luv luv luv)

(It's only luv)
Just thinking of you, Well, Well, Well, Everytime
(Losing control)
Mou, thinking of you, あゝ itai kurai tsurai Oh
(why don't you cry)
Just thinking of you, Pain, Pain, Pain,
I want to cry あゝ mou, ki ga tsuite yo
