High speed rolling, playing to win
A ball made of hard shining steel
Free for all who enter the field
Human extinction on wheels

CHORUS:

Violence and bloodshed rage on the court
The crowd in the arena scream
The metal sport, metal sport

Fight! for the ball, a victim is slain
Warning appears on the board
Race! for the wall, go for the goal
Craving to even the score

CHORUS

Cycles raging, eliminating
The loser dies, the winner remains
Chanting crowd are screaming his name
Lone survivor wins the game

CHORUS

The winner, the loser, the game?
