I've been around the world I take credit for the things  
I've done.  
I've done a lot of things and I just turned 21.  
They tied me up put red tape around my hands.  
I said "Please Mr Doctor" won't you cure my disease.  
I got caught in the web cause I didn't stand a chance.  
I can't control the state I'm in - Go back back in line and  
repeat it again x 2.  
No matter what I do I can't get it straight.  
I got a sore throat and I got scrubs on my knees.  
I can't control the state I'm in - Go back back in line and  
repeat it again x2.  
I'm gonna follow their lead then skip a beat.  
I tried to sort things out but i'm still stuck in the state.  
I'm gonna lie I'm gonna cheat.  
I'm gonna lie I'm gonna cheat.  
I'm gonna lie I'm gonna cheat and if I don't do it I don't  
know what I will.  
I'm gonna follow their lead then skip a beat. I'm gonna  
lie I'm gonna cheat. I can't control the state I'm in - Go  
back back in line and repeat it again x 4. The Hives
