If you begin to feel overload, you'll begin to feel what
we are saying.

If you begin to feel overload, consider your Earth
lookinf for you.

Ultrasonic sound (reapeat lots)
Ultrasonic sound comin' out your speaker

There are doors I haven't opened...
And windows I have yet to look through...
Goind forward may not be the answer...
Maybe I should go back

Rhythm is the key as we open up the door... (repeats
alot)
Some musical rythms can mess with your head
