You'll never get it right
They got a hundred lies for you
And when they pass them out
You gotta give or take a few

And be just the same
A head in the crowd
But behind the game
Oh well, you never can tell

You're such a clever kid
But I'll see what's wrong with you
It's all you ever did
Take lies and believe them true

Knew it all along
Another act and a truth gone wrong
Oh no, it ain't my Hollywood

I went on strike
When the union said, "I would"
Had a sign in my hand
'Cause the times were no good
All this time they ever told me to
Was to get a little lie to ring a little true

I went on the strike
When the union said, "I would"
Had a sign in my hand
Cause the times were no good
All this time they ever told me too
Was to get a little more for a little you

And maybe you're alright
And maybe I don't have a clue
Yea, maybe black is white
And maybe black is white too

But it's all the same
You don't get the picture you're getting framed
You took the bait
And now it's too late

You didn't turn out right
Just look at you
You had the biggest plans
But no way to carry through

It was all an act
And now you can't stick to the facts
Oh no, but it ain't my Hollywood

I went on strike
When the union said, "I would"
Had a sign in my hand
'Cause the times were no good
All this time they ever told me too
Was to get a little lie to ring a little true

You spent your time
Just like they said you should now
Those marks on your face
Just don't look any good
And all this time all that they told you to
Was get a little more for your little you

Aah
Said, "I would"
No good
Told me too
Little true

Said, "I would"
No good
Told me too
It ain't my Hollywood
