Ah know what's wrong with me?

(Aye)

I got no vision see

(Aye)

I was the target of notion of submission see

(Aye)

Oh yeah they needed me

(Aye)

Yeah I was the target see

(Aye)

They tried to stick a dead body inside of me

(Aye)

I need

No need no alibi

Honestly I tell no lies

Wanted to stick a office worker inside of me

But I kept breakin' free

(Aye)

They could not capture me

(Aye)

I pulled maneuvers they were closer to savage see

(Aye)

Bad, bad

They tried to stick a dead body inside of me

Bad, bad

Come again I tell no lies

So now you understand

(Aye)

I was a wanted man

(Aye)

The opposition and the bug of a shiny hand

(Aye)

But ah no this I see

(Aye)

There's nothin' wrong with me

(Aye)

There's no deadbeat regime rider inside of me
(Aye)

I need
No need no alibi
Honestly I tell no lies
Tired to stick a office worker inside of me

I need
No need no alibi
Honestly I tell no lies
Wanted nothin' stuck in me

Bad, bad
They tried to stick a dead body inside of me
Bad, bad
Wanted nothin' stuck in me
