Find yourself another girl  
Who will love you true true true  
Find yourself another girl  
Save all her love and kisses just for you  
Save all her love and kisses just for you

The very first time I fell in love  
Got my heart broken then  
People would say when I passed their way  
"There's a hot young man going there going there  
An unhappy lad going there"

Well one day my mother called me  
To here side, said son, "Why you so blue?"  
"Mother I lost the girl that I love  
Why won't you tell me what to do  
Mother won't you tell me what to do?"

Well she said, "Find yourself another girl  
Who will love you true true true  
Find yourself another girl  
Save all her love and kisses just for you  
Save all her love and kisses just for you "

I can imagine how you feel my son  
But throw it out of your mind  
I'm gonna tell kinda truthfully  
True love is hard to find sometimes  
It's kinda hard to find

But forget about that girl  
That broke your heart and try start a new  
For if there was a guy for her  
There's got to be a girl somewhere for you  
Got to be a girl somewhere for you

You just go on and find yourself another girl  
Who will love you true true true  
Find yourself another girl  
Save all her love and kisses just for you  
Save all her love for no one but you

Ohh another love, ohh another love, ohh another love  
Save her love and kisses just for you  
Save all her love for no one but you
