Do what I want 'cause I can  
And if I don't because I wanna  
Be ignored by the stiff  
And the bored because I'm gonna

Spit and retrieve 'cause I give  
And receive because I wanna  
Gonna get through your head  
What the mystery man said because I'm gonna

Hate to say I told you so  
Alright  
Come on  
I do believe I told you so

Now it's all out and you knew 'cause I wanted to  
Turn my back on the rot that's been  
Planning the plot because I'm gonna  
No need for me to wait because I wanna  
No need two three and too late because I'm gonna

Hate to say I told you so  
Alright  
Come on  
I do believe I told you so

Do what I please gonna spread  
The disease because I wanna  
Gonna call all the shots for the no's  
And the not's because I wanna

Ask me once I'll answer twice  
'Cause what I know I'll tell because I wanna  
Sound device and lots of ice  
I'll spell my name out loud because I wanna  
Oh yeah
