A neon light is seen above every average teen.  
A sign spelling out a word that none of us has heard.  
Fourteen bucks today and I get a new life tomorrow  
a new product rejects unhappy moments and sorrow.  
I'll take this one and that one and then some more.  
I'll use a piece of paper and the almighty pen - here we  
go again.

A voice inside of me says insufficiency how come it  
worked out for you?  
I better try something new.  
Not satisfied just yet - wanna receive and get.  
I believe that word my inner voice is never left unheard.
