They say it's off the record gotta keep it clean.
Can't be too abusive can't be too odscene.
But he's got a plan to build a future he's been putting it
off for way too long.
Another safety pin through his cheek
and he's three chords short of a punkrock song.
Wicked is as wicked does he'll fight it till the end he'll
show his finger than say:
I'm a wicked one.
He's a stereotype bastard and he likes it that way.
Can't be all taht happy can't be all that gay.
Wicked is as wicked does he'll fight it till the end he'll
show his finger than say:

I'm a wicked one.
They say get off the stage they say get outta here.
Can't be all that punkrock can't be all that queer.
He'll make them wish they never knew him he'll make
them pay for being wrong.
But he doesn't really know how to do that.
So we'll give him three chords to his punkrock song.
Wicked is as wicked does he'll fight it till the end he'll
show his finger than say:
I'M A WICKED ONE.
