One two, one two three four

Being the king of asskissing, makes him a royal drag  
And the king of asskissing, he's after me again,  
bringing me his royal nag  
He takes every opportunity to get to me  
And here he comes again, dont think I'll ever be at rest  
I suppose happiness will come to some but I'll never be  
a lucky one  
Still I got to keep on hoping for the best

But once again he comes again that's how the story  
goes  
And it's been long enough for me to know where he's  
about to put his nose  
Sometime, someday that bastard's gonna pay

One two three four five six seven eight

The king of asskissing says I'm the one and only  
And the king of asskissing with his constant presence  
He keeps me from being lonely  
He's a royal branch of luncay that gets to me  
And here we go again  
It looks as if he's here to stay  
I've tried to beat to pull and whack  
But a monkey sliding down my back won't so easily go  
away

So once again he comes again about to reach his goal  
The one and only Monrach with his kingdom in a hole  
Sometime, soon the king of asskissing is gonna pay
