Welcome

I know that it has been a long time coming
You bought your tickets, you waited in line
You were walking and now you find yourself running
To get closer to the giant neon sign

Allow me to give you a clue

You're looking at black and white
Seeing our name in lights
Gonna make you feel alright
'Cause baby, we're here all night

We rule the world, this is our world
We rule the world, this is our world
T.H.E.H.I.V.E.S., T.H.E.H.I.V.E.S.
T.H.E.H.I.V.E.S., T.H.E.H.I.V.E.S.

You hold your breath and now it's silent
The humming of the amps is all you hear
Introducing for the fourth time running
'Cause if you don't know we'll make it very clear

Ooh, you know it's true

You're looking at black and white
Seeing our name in lights
Gonna make you feel alright
'Cause baby, we're here all night

We rule the world, this is our world
We rule the world, this is our world
T.H.E.H.I.V.E.S., T.H.E.H.I.V.E.S.
T.H.E.H.I.V.E.S., T.H.E.H.I.V.E.S.

When you're all ripped up 'round a quarter to ten
Gonna piece you back together by eleven and then
When you sweated it out and you're all soaking wet
Then we'll do it again

And when you're all ripped up 'round a quarter to ten

Gonna piece you back together by eleven and then
When you sweated it out and you're all soaking wet
Then we'll do it again

We rule the world, this is our world
We rule the world, this is our world
