Yeah, yeah, yeah  
I was right all along  
Yeah, yeah, yeah  
You come tagging along

Exhibit 'A' on a tray, what you say?  
Ends up thrown in your face  
Exhibit 'B' what you see, well, that's me  
I'll put you back in your place

Yeah, I've done it before  
And I can do it some more  
So what you waiting for?  
Yeah, I was right all along

'Cause I have done it before  
And I can do it some more  
I've got my eye on the score  
I'm gonna cut through the floor

It's too late, it's too soon  
Or is it tick, tick, tick, tick, tick  
Tick, tick, boom?

Yeah, yeah, yeah  
I was right, you were wrong  
Yeah, yeah, yeah  
Going, going, you're gone

I saw you yesterday, been waiting too much  
Until it slipped through your hands  
And then you stagger to the feet and out the door  
?Cause there's no second chance

?Cause I have done it before  
And I can do it some more

I've got my eye on the score  
I'm gonna cut through the floor

It's too late, it's too soon  
Or is it tick, tick, tick, tick, tick

Tick, tick, boom?

And you come crying to me  
But it's too late  
The man you try hard to be  
But it's too late

Get your head out of the sand  
But it's too late, it's too late  
Too late, too late, too late

Yeah, but it's too late  
Yeah, but it's too late  
You get your head out of the sand  
But it's too late, it's too late, too late

You know I've done it before  
And I can do it some more  
I've got my eye on the score  
I'm gonna cut through the floor

You know I've done it before  
And I can do it some more  
I've got my eye on the score  
I'm gonna cut through the floor

It's too late, it's too soon  
It's too late, it's too soon  
It's too late, it's too soon  
Or is it tick, tick, tick, tick, tick  
Tick, tick, boom?
