Wait a minute now, wait a minute, wait a minute now...
I tried to listen, I can't keep up
What was that you're saying? It was much too fast.
You say they're born to lose, and we live to win
And when all is set done, all they do is sin.
You say they're lazy and no good, and they don't do
the things they should.
I see all my moves as sound goes out, but I can't hear
you 'cause you're fadding out.
Oh I ain't here to try and spoil you're fun and I ain't try
to be a cop.
But my head is stuck in the guillotine, and the blade's
about to drop.
Wait a minute now, wait a minute, wait a minute
now(x3)
Wait a minute now, wait a minute, wait a mi-
So B-b-b-b-Baby wait a minute now,
If you want me to understand, 'Cause this is getting
outta hand,
You say this kids are all insane, and they got drugs
instead of brains.
They drink blood at night, yes they do
Not anyone of them but a few.
But I ain't here to try and spoil you're fun and I ain't try
to be a cop.
But my head is stuck in the guillotine, and the blade's
about to drop.
My lights's out but you don't stop, more wasted time it
was all that I got.
No need to worry, no need to fret, come on.
You be good, you be gone, understood?
Well come on, wait a minte now!
So hold up, You wise up, you wind up, you can't stop,
You don't stop and you won't stop.
You won't stop, you don't stop, You won't wait a minute
now.
Wait a minute now, wait a minute, wait a minute now.
