VERSE 1:

Well is it true what they say about it
They say it's new but i have to doubt it
And then they tell you everything about it
Had enough

I got some people saying this way
I got some people saying that way
I got some people saying there's no way
Ain't it tough

CHORUS:

See the idiot walk
See the idiot talk
See the idiot chalk up his name on the blackboard

See the robot walk
See the robot talk
See the robot write up his name on the ballot

They say this is all i need to get by
The truth is baby it's a lie

VERSE 2:

Well is it true what they say about it
You oughtta do what i do and doubt it
He won and now he's gonna do somethin about it
And it's sad

And if you don't wanna feel like a putz
Collect the clues and connect the dots
You see a pattern that is bursting your bubble
And it's bad

CORUS:

See the idiot walk
See the idiot talk
See the idiot chalk up his name on the blackboard

They say this is all i need to get by
The truth is baby it's a lie

VERSE 3:

If you review the winning combination
Body at work and a mind on vacation
Who had the brain where it started to sink in
It was you

CORUS:

You've seen the idiot walk
Seen the idiot talk
But you never learned nothing and nothing isn't over

Seen the robot walk
Seen the robot talk
Still you never learned nothing and nothing isn't over

They say this is all i need to get by
The truth is baby it's a lie
