They're gonna put me in the movies
They're gonna make a big star out of me
We'll make a film about a man that's sad and lonely
And all I got to do is act naturally

Chorus:

Well, I bet you I'm a-gonna be a big star
Might win an Oscar you can never tell
The movie's gonna make me a big star,
'Cause I can play the part so well

Well, I hope you come and see me in the movie
Then I'll know that you will plainly see
The biggest fool that ever hit the big time
And all I got to do is act naturally

We'll make a film about a man that's sad and lonely
And begging down upon his bended knee
I'll play the part but I won't need rehearsin'
All I have to do is act naturally

Chorus:

Well, I bet you I'm gonna be a big star
Might win an Oscar you can never tell
The movie's gonna make me a big star,
'Cause I can play the part so well

Well, I hope you come and see me in the movie
Then I'll know that you will plainly see
The biggest fool that ever hit the big time
And all I got to do is act naturally...
