I got ten toy soldiers for Billy Joe  
I got coloring book for Sue  
I got a little toy train for Danny boy  
And a cowboy suit for Lou  
I got a talkin' baby doll for Cindy  
I got a pair o'roller skates for Jane  
And baby if we ever have any more kids  
Christmas shoppin's gonna drive me insane

Gonna go this Christmas shopping  
Well, I wonder if I'll ever get through  
I tried to get everybody somethin' that they wanted  
But I didn't know what to get you  
I read the kids letters to Santa Claus  
I read 'em over one by one  
And I'd surely like to get my hands  
On the fella that said Christmas shoppin's fun

I got ten toy soldiers for Billy Joe  
I got a coloring book for Sue  
I got a little toy train for Danny boy  
And a cowboy suit for Lou  
I got a talkin' baby doll for Cindy  
I got a pair o'roller skates for Jane  
And baby if we ever have any more kids  
Christmas shoppin's gonna drive me insane

Well, I must've walked a hundred miles or more  
I went to every store in town  
My feet started swellin' and my head started achin'  
And I couldn't find a place to sit down  
But to tell you the truth well, I really don't mind it  
I could even walk another mile  
'Cause on Christmas mornin'  
When they open up the presents  
Well it's worth it just to see them smile

I got ten toy soldiers for Billy Joe  
I got coloring book for Sue  
I got a little toy train for Danny boy

And a cowboy suit for Lou  
I got a talkin' baby doll for Cindy  
I got a pair o'roller skates for Jane  
And baby if we ever have any more kids  
Christmas shoppin's gonna drive me insane...
