[Don Rich]

Well the pitty pitty patter of a little bitty feet's

Gonna pitty pitty patter through our house

A gonna be a comin' in June gonna stop our
honeymoon

Cause the pitty pitty patter of a little bitty feet's

Gonna pitty pitty patter through our house

I gotta be a thinkin' of a name yeah there's gonna be a
great big change

Gonna be a lookin' for a bottle in the middle of the
night

Lookin' for a chance to hold mama tight

A washin' little diapers every day

A big doctor bill I'm gonna have to pay pay pay

Oh the pitty pitty patter through our house

I gotta be a thinkin' of a name yeah there's gonna be a
great big change

[ac.guitar - steel]

Gonna be a lookin' for a bottle...

Well the pitty pitty patter...

Cause the pitty pitty patter of a little bitty feet's

Gonna pitty pitty patter through our house
