There's a place down the street
We call Sam's Place
It starts a jumping every evening
When the sun goes down

You can always find me
Down at Sam's Place
For that's where
The gang all hangs around

There's ole shimmy shaking Tina
She hails from Pasadena
She's always got a
Big smile on her face

There's hoochie koochie Hattie
She comes from Cincinnati
Yeah, there's always a party
At Sam's Place

Well, they've got a swinging band
Down at Sam's Place
You can hear 'em picking
Twenty blocks away

They're playing country music
Down at Sam's Place
From the setting sun
Until the break of day

There's ole shimmy shaking Tina
She hails from Pasadena
She's always got a
Big smile on her face

There's hoochie koochie Hattie
She comes from Cincinnati
Yeah, there's always a party
At Sam's Place

And I'll meet you tonight

At Sam's Place
