[ Don Rich ]

You bring out the best in me you make my life complete  
You make me want to dress my best a little better than  
all the rest

You always seem to make me smile you make true love  
seem worthwhile

You're the one I want to please you bring out the best in  
me

I used to be a lonely man without even one single plan  
I didn't really care before who walk in or out my door  
Darling then you came along then all my loneliness was  
gone

Now my life's more than just a dream you bring out the  
best in me

I used to be a lonely man...
