Since I was kid,  
I lost couple of times  
But I wasn't beaten down (nothing's lost)

Except defeat,  
For the sake of the better person  
I wasn't scared to be (no regrets)

I gave it all,  
For the dreams, broken hopes,  
There wasn't any fear (it's my choice)

To be a champ,  
I layed my pride,  
I had to offer (the best that I've got)

For all those better days  
And the dreams that never fade  
I know I'll stay the same  
With nothing left to say

We're all the same,  
We forget about each other every single day  
(I don't want it to fade away)

For all these years,  
Now I'm safe to say  
I shouldn't let some things (go away)

Well that's all right,  
When I turn it around  
I could lost things (that I'm proud of)

To be a champ,  
I'll go full speed ahead,  
Take care of the things (I love and hate)

For all those better days  
And the dreams that never fade  
The reason I bleed today  
It's the one that makes my day
