First he lived then he died  
To the cross he was crucified  
Crown of thorns upon his head  
Satan laughed as the blood ran red  
Beneath the earth the demons fled  
To drink the tears that flowed from his head

Crucifixion death to Christ  
Crucifixion

Crucified death to Christ the price you paid  
Extinction of your life  
There you hang in total pain  
No escape the demons sang

Crucifixion death to Christ  
Crucifixion

First he lived then he died  
To the cross he was crucified  
Crown of thorns upon his head  
Satan laughed as the blood ran red  
Beneath the earth the demons fled  
To drink the tears that flowed from his head

Crucifixion death to Christ  
Crucifixion

Open the gates of hell giving life to Lucifer  
Let the witches cast their spells  
Sacrifice young virgin souls  
Giving life to the dead  
Blood will fill their graves  
The children must wear the mark of an inverted crucifix
