Schools ain't teach us shit, your teachers lie  
They don't care about kids, they want us uneducated  
It is easier to control, if you don't know how to read  
Write or speak, as long as they want us to be

Illiterate  
Stupid scum  
Wasted youth  
And young lives

How can we go in their schools?  
Where knowledge is meaningless  
Where a few ones and these are scum  
Take young lives in their hands  
And waste our souls  
Waste our time, use our happiness  
Give us nothing back  
And take us to hell

Schools ain't teach us shit, we know they lie  
Teachers don't care about kids, waste has been done

WE - WANT - MORE, WE NEED OUR TIME,  
WE'RE STILL YOUNG, WHERE - IS OUR HAPPINESS?

WHAT A FUCK YOU WANT FROM US, WE KIDS ARE TRUE  
YOU'RE HEARTS ARE FUCKING HOLLOW, WE CLAIM OUR  
RIGHTS BACK
