It's time for change, and that's the way I feel
And now I spit my rage
No time for me to make it up
Only to except wha'ts done is done.

HC-Hobson's Choice, HC-Tuzla Hardcore
HC-Straight Edge, HC-My Choice

After the heavy storms calm down
I'll still stand in this open fire
My choices made me who I am, for real
Pushin' me in this brutal war, called life

HC-Hobson's Choice, HC-Tuzla Hardcore
HC-Straight Edge, HC-My Choice

So many times you deceived me
That's why I turned my side
The only thing I still believe in
Me, my friends and hardcore pride

Forget the sufferings, stand on your feet, strive hard to
the positive side
HARDCORE POSITIVE-STRAIGHT EDGE POSITIVE
HARDCORE MY CHOICE, IT IS WHAT I LIVE FOR, LIFE
REVENGE
