As we, stand by your side together
To confront, temptations of the now life
Test your faith, in yourself and your HCFamily
As one die for all, we all die for one

Stay true to yourself
Set your emotions free
Stay true to yourself
Stay true, true till fuckin' death

Holding your arm
While your spirit is gone
When will you know that
YOU'RE LIVING IN THE WRONG WAY

Respect for you friends
Having love for your family
Stay out of trouble
YOU'RE LIVING IN THE WRONG WAY

Ask for the help
We will make it together
How strong you can be
YOU'RE LIVING IN THE WRONG WAY

Let your mind
Clearly choose
What you want
YOU'RE LIVING IN THE WRONG WAY

Stay true, true to yourself
Set your emotions free
Stay true, true to yourself
Stay true, true till fuckin' death
