

Hobson's Choice "Schools"

Visit "[Schools](#)" on MotoLyrics.com

Schools ain't teach us shit, your teachers lie
They don't care about kids, they want us uneducated
It is easier to control, if you don't know how to read
Write or speak, as long as they want us to be

Illiterate
Stupid scum
Wasted youth
And young lives

How can we go in their schools?
Where knowledge is meaningless
Where a few ones and these are scum
Take young lives in their hands
And waste our souls
Waste our time, use our happiness
Give us nothing back
And take us to hell

Schools ain't teach us shit, we know they lie
Teachers don't care about kids, waste has been done

WE - WANT - MORE, WE NEED OUR TIME,
WE'RE STILL YOUNG, WHERE - IS OUR HAPPINESS?

WHAT A FUCK YOU WANT FROM US, WE KIDS ARE TRUE
YOU'RE HEARTS ARE FUCKING HOLLOW, WE CLAIM OUR
RIGHTS BACK
