Since the day i came to this world  
I'm the so called fallen  
I'm just a nail, nailed in their soul  
Hurting their weak side

Collective thoughts' of rage and aggression  
My words defy their culture of fear  
I'm breathing offense for their nature  
I know i'm fated to be against them

From all the pleasures my fave one comes  
My loud laughter will be always heard  
Hateful my nature, loathsome

I'm the incarnation of ancient rancors  
Violent dreams of once-caged bird  
Stupid white men detest my roots  
And i won't drown in my own blood  
Look in my eyes now you see clear  
A contradiction that brings the tears  
A wild impulse waits for its time  
I thank this anger for keeping me alive

I was born to be hated  
'cause i'll never be a part of their dirt  
That's why i was born to be hated  
Offenses are vain, every word's the same  
That's why i was born to be hated  
'cause i represent just all that they fear

Chaos, all this is just vicious  
I won't die for what a shithead says,  
Bastard pleasures  
Legions living for the obsession  
Of those mad dogs licking ass,  
Bastard pleasures

Does this face offend you?  
Does this skin offend you?  
I hope they do  
'cause that's what i'm here for

I was born to be hated  
'cause i'll never be a part of their dirt  
That's why i was born to be hated  
Offenses are vain, every word's the same  
That's why i was born to be hated  
'cause i represent just all that they fear  
That's why i was born to be hated  
Disease of this age, i'm the hated race
