"Unconditional Love"

i want to fall into you

and i want to be everything you want me to

but i'm not sure i know how

i lose faith and i lose ground

when i see you i remember

unconditional love

it doesn't matter what i say

cause it always seems you're taking me the wrong way

but if you could read my mind

you'd see, i fight myself all the time

when i see you i surrender

unconditional love

standing on a wilder shore

i got my head up in the clouds

i ain't got no sense of direction now

i want to lie next to you

and i want to do everything you want me to

but i'm not sure i know how

put your arms around me now

when i feel you i surrender

unconditional love

all you needs is

what the world needs

now the word is love
