Got no place, got no face
And everybody's got a problem with me
Got no life, got no time
So everybody just get in line

Chorus:

I'll succeed, wait and see
I don't need your sympathy
I'm gonna get a job, get a job, get a job
Why doesn't any-body want me
Why doesn't any-body need me

I'm in debt, I regret
And I haven't won the lottery yet
Adverse, into the hole
I ain't got no place to go

I'll succeed, wait and see
I don't need your sympathy
I'm gonna get a job, get a job, get a job
Why doesn't any-body want me
Why doesn't any-body need me

Why doesn't any-body want me, want me, want me,
want me
Why doesn't any-body need me

I'll succeed, wait and see
And then we'll all have a drink on me
I'm gonna get a job, get a job, get a job

Why doesn't any-body want me
Why doesn't any-body need me

Why doesn't any-body want me, want me, want me,
want me
Why doesn't any-body need me
