(Music starts)

I wear a disguise  
I'm just your average Jane  
The super doesn't stand for model  
But that doesn't mean I'm plain  
If all you see is how I look  
You miss the superchick within  
And I christen you Titanic  
Underestimate and swim

I got the rifle gonna be myself (x4)

And I'll be everything  
That I wanna be  
I have confidence in its security  
I am a voice yet waiting to be heard  
I'll shoot the shot - bang  
That you hear 'round the world

And I'm a one girl revolution (x3)

Some people see the revolution  
But most only see the girl  
I can lose my hard-earned freedom  
If my fear defines my world  
I declare my independence  
From the critics and the stones  
I can find my revolution  
I can learn to stand alone

And I'll be everything  
That I wanna be  
I have confidence in its security  
I am a voice yet waiting to be heard  
I'll shoot the shot - bang  
That you hear 'round the world

And I'm a one girl revolution (x6)

And I'll be everything

That I wanna be  
I have confidence in its security  
I am a voice yet waiting to be heard  
I'll shoot the shot - bang  
That you hear round the world  
(Repeat x2)

And I'm a one girl revolution (x2 to fade)
