If you belonged to me  
Nothing else would matter  
I'd give you the moon and the stars  
On a silver platter  
Kiss you the way you should be kissed  
And show you the kind of love that you missed

So hear me  
Sweet baby  
My heart won't lie

Chorus:  
What you need is what you get  
If you come to me  
I'll give you love you won't regret  
I'll set you free  
If you believe like I believe  
Boy, you know it's true  
Everything you need, I'll give to you

You've been alone too long  
Baby, let me help you  
Show you where your heart belongs  
You know I'd love to  
Give you one thousand reasons to stay  
Be the light in my window  
If you lose your way

So don't fear  
Baby, I'm right here  
I'll never leave

Chorus:  
What you need is what you get  
If you come to me  
I'll give you love you won't regret  
I'll set you free  
If you believe like I believe  
Boy, you know it's true  
Everything you need, I'll give to you

This is a promise you can keep  
Just bring your broken heart to me  
Baby, you know I'll always be  
The one you've waited for  
The girl you've dreamed of  
Just let me in and you'll see

Repeat chorus 3x
