I think that at times should just let you go (Let you go)
So I'll tell it to your face instead of on the phone(On the
phone)

You see I thought that you were special baby
something you need
but lately I've come to find
that your not really intrested in my heart or mind(Or my
mind)

That's alright that ok you never loved me anyway
and I think it's time for you to just move on
That's alright(That's alright)That's ok(That's ok)
I bet you never thought you'd hear me say
That i think it's time for you to find another dumb blond
'Cause it's not me no no 'Cause it's not me no no oh no

Last night I went to a party hoping I'd see you there
And sure enough you were haning on some other girl
playin with her hair
And i overheard you tellin her the very same thing you
said to me that night before
Lookin around and sinker you were walking with her out
the door

That's alright that's ok you never loved me anyway(I
never loved you anyway)
And I think its time for you just move on
That's alright(That's alright) That's ok(That's ok)
I bet you never thought you'd hear me say
that I think it's time for you to find another dumb blond
'Cause it's not me no no

'Come on just a little chumpie hanin on your arm so
I surprised to see you got it goin on when I see what
you are so clearly
But baby baby that's not alright with me
