Sun's up  
A little after twelve  
Make breakfast for myself  
Leave the work for someone else  
People say  
They say that it's just a phase  
They tell me to act my age,  
Well I am

On this perfect day,  
Nothing's standing in my way

On this perfect day,  
When nothing can go wrong

It's the perfect day,  
Tomorrow's gonna come too soon  
I could stay, forever as I am

On this perfect day

Sun's down  
A little after ten  
I pick up all my friends  
In my Mercedes-Benz

Wake up  
Don't tell me it's just a dream  
'Cause when I've had enough  
You'll hear me say,  
Now don't you try to rain on my

Perfect day,  
Nothing's standing in my way

On this perfect day,  
Nothing can go wrong

It's the perfect day,  
Tomorrow's gonna come too soon

I could stay, forever as I am

On this perfect day

La la la  
La la la,  
Oh, oh

I'm in the race  
But I've already won  
(La la la)  
And getting there can  
Be half the fun  
(La la la)  
So don't stop me  
Till I'm good and done,  
Don't you try to rain on my

Perfect day  
It's the perfect day

It's the perfect day  
Nothing's gonna bring me down  
I could stay, forever as I am

On this perfect day  
Nothing's standing in my way,

On this perfect day,  
Nothing can go wrong

I'm in the race  
But I've already won  
And getting there can  
Be half the fun,  
So don't stop me  
Till I'm good and done,  
Don't you try to rain on my

Perfect, day  
On this perfect day  
On this perfect day
