I was free when we met you were eating a burrito with a girl, some brunette at Elâ€™™ Tarascos. Then you smiled like you knew that someday weâ€™™ d be together, and together we were for a while. (Oh) How do I feel ever since I walked away from you? I miss you for real everyday of my life. How do I feel now that its over, for the thing that I miss the most is missing you. (Thing that I miss the most)

I was lost for a while. Every place brought back a memory of a kiss or a smile that you gave me. Well itâ€™™ s changed and I guess more and more I miss you less and less, sometimes itâ€™™ s hard to let go. (Oh) How do I feel ever since I walked away from you? I miss you for real everyday of my life. How do I feel now that its over, for the thing that I miss the most is missing you. (Thing that I miss the most)

Sometimes, you get trapped in a time of your life, but you know it gets a little easier over time. (Gets a little better in time) (In time)

Tune)

How do I feel now that itâ€™™ s over for the thing that I miss the most? (Thing that I miss the most)

I miss the moonlit walks in the rain, I miss the quarter tree, I miss the days, I miss the sad songs I used to play for the thing that I miss the most. (Thing that I miss the most)

How do I feel? I miss you for real. How do I feel now that its over, for the thing that I miss the most is missing you.

(Thing that I miss the most)
